Back into regular cutting of greens, tees, fairways and rough

Red line fairways for staff to see fairways lines for the coming season

Re-do timber edges at the 1<sup>st</sup> tee

# Risks, Issues, Decisions

Risk, Issue or Decision	Comments
Practice area/ 9-hole kid's course	This area is taking a battering from use and misuse, needs extra work to fill in divots and concern of the misuse and people hitting down towards the houses.
Lee Simpson's (Apprentice) injury update	He is still waiting for his scan due to swelling, hopefully will be on the 29 April then will make the decision on getting him back on light duties.
